This publication is a sequel to the highly successful Business Guide to the Uruguay Round. It provides an overview of achievements of the Uruguay Round and the legal system established by it and explains the role of the World Trade Organization (WTO). This edition contains updates on new developments which have taken place since 1996. It also contains a new section on the six trade-related subject areas: trade and environment, trade and investment, competition policy, transparency in government and procurement, trade facilitation and electronic commerce. A thorough understanding of the World Trading System is critical to increasing the competitiveness of enterprises in Commonwealth countries. This publication will be an essential tool to the international business community and will help business leaders to better understand the implications of the WTO Agreements and how to apply the various provisions and rules to their day-to-day business decisions. Published jointly by the International Trade Centre UNCTAD/WTO and the Commonwealth Secretariat.

Contents: making the connection; identifying international markets; foreign market entry; the export transaction; export financing; transporting goods internationally; strategic alliances & foreign investment opportunities. Includes an exporter's directory section consisting of: small business development centers; international trade contacts in other Federal agencies; state government international trade resources; foreign embassies in the U.S.; multilateral development organizations; chambers of commerce & international trade organizations; publications & information sources; international calling codes; & glossary.

This publication is part of a series of guides containing information on trade remedy procedures (anti-dumping, countervailing and safeguards legislation and procedures) aimed at business managers, importers and exporters from developing countries and transition economies. It focuses on the European Community, the largest market for many developing countries and transition economies and a frequent user of trade remedy measures. It highlights legal practice and the appropriate provisions of the relevant WTO Agreements. Topics covered include: the use of trade remedies; procedural aspects of anti-dumping and anti-subsidy investigations; and emergency action against imports safeguards.

This guide explains the rules of the Uruguay Round trade agreements and their implementation. It provides an overview of the achievements of the Uruguay Round, and explains the role of the World Trade Organization. It also presents the rules applicable to trade and examines their implications for trade liberalization, reviewing the main features of the General Agreement on Trade in Services (GATS) and the provisions of the Agreement on Trade Related Aspects of Intellectual Property Rights (TRIPS).
