"These Working Papers contain solution forms for all exercises for Weygandt, Kieso, Kimmel, and DeFranco "Hospitality Financial Accounting". In general, the working papers follow the organization of the textbook. To maximize the use of space, however, the exercises occasionally appear out of order." --p.iii.

"As the hospitality field continues to grow and diversify, today's hospitality professionals need to understand financial accounting at a higher level than ever before. Written by some of the most respected authors in accounting, Hospitality Financial Accounting, Second Edition gives a complete introduction to financial accounting principles and demonstrates how to apply them to all facets of the hospitality industry." "Updated with the latest developments in the accounting and hospitality fields, Hospitality Financial Accounting, Second Edition covers the basics of financial accounting and then shows readers how to analyze statements and deal with the daily issues they will face on the job."--BOOK JACKET.

An authoritative financial accounting book that provides a balance between conceptual and procedural coverage.

This successful book continues to provide accountants with an understanding of the fundamental concepts necessary to use accounting effectively. The sixth edition offers new discussions on IFRS, including new codification numbers, examples of IFRS financial statements, and additional exercises. A look at more recent frauds such as the Bernie Madoff scandal have been added. Enhanced discussions of ethics and international accounting are presented. The coverage of non-cash items and their impact on decision making has been expanded. In addition, comprehensive case studies and problems help accountants tie the material together.

The success of every business in the hospitality industry depends on maximizing revenues and minimizing costs. This Ninth Edition continues its time-tested presentation of fundamental concepts and analytical techniques that are essential to taking control of real-world accounting systems, evaluating current and past operations, and effectively managing finances toward increased profits. It offers hands-on coverage of computer applications and practical decision-making skills to successfully prepare readers for the increasingly complex and competitive hospitality industry.
