"How To Apply Makeup Like A Professional" is another in the series of books on makeup from Lisa Patrick. Through her, readers have learned how to do basic makeup to get to work and to run about and do errands or even to go out at night. She takes thing a bit further in this book and highlights certain tips and tricks that a person can use to have that professional look when they apply their makeup. Having the professional look involves a certain number of processes from the tools that are used to the makeup that is selected and how it is applied. The main thing to learn is that specific types of makeup will have a certain effect. It is therefore important to select carefully. The brushes and sponges also have to be selected carefully and all of this is expounded upon in the book. It serves as a great guide to help women look even better.
