Wolfe's remarkable epic, chronicling the odyssey of the wandering pilgrim called Severian, driven by a powerful and unfathomable destiny, as he carries out a dark mission far from his home. The Citadel of the Autarch brings The Book of the New Sun to its harrowing conclusion, as Severian clashes in a final reckoning with the dread Autarch, fulfilling an ancient prophecy that will forever alter the realm known as Urth. "Brilliant . . . terrific . . . a fantasy so epic it beggars the mind. A computer programmer must rescue an imprisoned wizard to save the universe in this sequel to *The Silent Tower* from the New York Times – bestselling author. There was a time when Joanna Sheraton knew nothing of the Void. She was an ordinary computer programmer, toiling in a cubicle in air-conditioned Southern California comfort, unaware that sinister forces had penetrated her universe. But from across the interdimensional divide, an evil mage had put in motion a scheme for eternal life, by transferring himself into a computer that feeds on Earth ' s life force. Called upon to help by the wizard Antryg, Joanna could do nothing more than delay. At the end of her first
