prominent guitarists and singers, so is fluent with the authentic rhythms and techniques essential to effective flamenco guitar soloing and song and dance accompaniment. The pulgar (thumb) exercises in this volume will be of particular interest to flamenco aficionados as they explore various rhythms and chord inversions throughout the fretboard. Following his studies in Spain, Dario added jazz harmony to his lexicon of musical resources and frequently participates in the Time in Jazz festival in Sardinia. His affinity for jazz is also reflected in the appealing modern harmonies that occur in these studies. Two stunning Piga flamenco guitar solos provide a magnificent ending to this collection, written in standard notation and tablature. Includes access to online audio.
