I Am Not a Slut: Slut-Shaming in the Age of the Internet by Leora Tanenbaum is a highly recommended examination of the meaning of "slut" for young women today. Young women today face a contradictory landscape.

I Am Not a Slut: Slut-Shaming in the Age of the Internet ...

And earlier this month, she released a follow-up set in the context of the digital era: I Am Not a Slut: Slut-Shaming in the Age of the Internet. We caught up with Tanenbaum to talk about why slut is so damaging, what social media is doing to aggravate the situation, and how the label can affect important reproductive health decisions.

Q&A With I Am Not A Slut Author Leora Tanenbaum | HuffPost

I am not a slut. Really, I'm not. Okay, I guess I'm a bit gullible and sometimes I don't think things through as well as I should and maybe it's true that I have on occasion made poor decisions, like the time in a job interview when I was asked what was the one thing I'd always wanted to do and I answered without thinking, "Just one time I'd like to get fucked completely senseless, with a dick in every hole."

Being called a slut isn't one of the best things in the world. In fact, it's hurtful and in most cases, it isn't accurate. What does it really mean to be called a slut? I know this topic is a tricky, even controversial one. I've done tons of research around the internet, to see how people can just go off and say 'You are a slut'.

I Am Not a Slut Quotes Showing 1-7 of 7 "Although drinking to the point of becoming incapacitated is unwise and risky for anyone, the blame for rape must be put on the rapist who preys on a drunk woman, not a drunk woman who becomes prey.

I Am Not a Slut Quotes by Leora Tanenbaum

An enthusiastic update on the state of female sexual liberation in contemporary society. Fifteen years after her well-received book on sexual stereotyping, *Slut! Growing Up Female with a Bad Reputation* (1999), grass-roots feminist Tanenbaum (*Taking Back God: American Women Rising Up for Religious Equality*, 2008, etc.) still bristles at the "contradictory landscape in which females are ...

contradictory roles of being sexy but not slutty, they create an “experienced” identity on social media—even if they are not sexually active—while ironically referring to themselves and their friends as “sluts.” But this strategy can become a weapon used against young women in the hands of peers who circulate rumors and innuendo—elevating age-old slut-shaming to deadly levels, with suicide among bullied teenage girls becoming increasingly common. Now, Leora Tanenbaum revisits her influential work on sexual stereotyping to offer fresh insight into the digital and face-to-face worlds contemporary young women inhabit. She shares her new research, involving interviews with a wide range of teenage girls and young women from a variety of backgrounds as well as parents, educators, and academics. Tanenbaum analyzes the coping mechanisms young women currently use and points them in a new direction to eradicate slut-shaming for good.

The author of the groundbreaking work *Slut!* explores the phenomenon of slut-shaming in the age of sexting, tweeting, and “liking.” She shows that the sexual double standard is more dangerous than ever before and offers wisdom and strategies for alleviating its destructive effects on young women’s lives. Young women are encouraged to express themselves sexually. Yet when they do, they are derided as “sluts.” Caught in a double bind of mixed sexual messages, young women are confused. To fulfill the contradictory roles of being sexy but not slutty, they create an “experienced” identity on social media—even if they are not sexually active—while ironically referring to themselves and their friends as “sluts.” But this strategy can become a weapon used against young women in the hands of peers who circulate rumors and innuendo—elevating age-old slut-shaming to deadly levels, with suicide among bullied teenage girls becoming increasingly common. women inhabit. She shares her new research, involving interviews with a wide range of teenage girls and young women from a variety of backgrounds as well as parents, educators, and academics. Tanenbaum analyzes the coping mechanisms young women currently use and points them in a new direction to eradicate slut-shaming for good.

Girls may be called "sluts" for any number of reasons, including being outsiders, early developers, victims of rape, targets of others' revenge. Often the labels has nothing to do with sex -- the girls simply do not fit in. An important account of the lives of these young women, *Slut!* weaves together powerful oral histories of girls and women who finally overcame their sexual labels with a cogent analysis of the underlying problem of sexual stereotyping. Author Leora Tanenbaum herself was labeled a slut in high school. The confessional article she wrote for *Seventeen* about the experience caused a sensation and led her to write this book.

The sexual revolution is unfinished. A sexual double standard between men and women still exists, and society continues to punish bad girls and reward good ones. Until we eliminate good-girl privilege and bad-girl stigma, women will not be fully free to embrace their sexuality. In *Slut-Shaming, Whorephobia, and the Unfinished Sexual Revolution* Meredith Ralston looks at the common denominators between the #MeToo movement, the myths of rape culture, and the pleasure gap between men and women to reveal the ways that sexually liberated women threaten the patriarchy. Weaving in history, pop culture, philosophy, interviews with sex workers, and personal anecdotes, Ralston shows how women cannot achieve sexual equality until the sexual double standard and good girl/bad girl binary are eliminated and women viewed by society as "whores" are destigmatized. Illustrating how women's sexuality is policed

Download Ebook I Am Not A Slut Wwwdas

by both men and women, she argues that women must be allowed the same personal autonomy as men: the freedom to make sexual decisions for themselves, to obtain orgasm equality, and to insist on their own sexual pleasure. Dispelling the myth that all sex workers are victims and all clients are violent, Slut-Shaming, Whorephobia, and the Unfinished Sexual Revolution calls out Western society's hypocrisy about sex and shows how stigma and the marginalization of sex workers harms all women.

The classic guide to love, sex, and intimacy beyond the limits of conventional monogamy has been fully updated to reflect today's modern attitudes and the latest information on nontraditional relationships. For 20 years *The Ethical Slut* has dispelled myths and showed curious readers how to maintain a successful polyamorous lifestyle through open communication, emotional honesty, and safer sex practices. The third edition of this timeless guide to communication and sex has been revised to include interviews with poly millennials (young people who have grown up without the prejudices their elders encountered regarding gender, orientation, sexuality, and relationships), tributes to poly pioneers, and new sidebars on topics such as asexuality, sex workers, and ways polys can connect and thrive. The authors also include new content addressing nontraditional relationships beyond the polyamorous paradigm of "more than two": couples who don't live together, couples who don't have sex with each other, nonparallel arrangements, couples with widely divergent sex styles, power disparities, and cross-orientation relationships, while utilizing nonbinary gender language and new terms that have come into common usage since the last edition.

A "debut collection about family, friends, and lovers, and the flaws that make us most human"--

Following her debut novel, *My Sister's Continent*, which delved fearlessly into questions of identity, abuse—trust, trespass, and delusion— (Booklist), Gina Frangello continues her exploration of the power dynamics of gender, class, and sexuality in this collection of diverse, vibrant short fiction. *Slut Lullabies* is unsettling. Like the experience of reading a private diary, these stories leave one feeling slightly traitorous while also imprinting a deep recognition of truths you did not know you felt. It is through beauty, horror, humor and chaos that Frangello has managed to pull these ten stories out of her deep understanding of the human experience. A gay Latino man whose pious relatives are boycotting his 'commitment ceremony' becomes caught up in hypocrisy and splendor when his lover's WASPY mother hires a glitzy wedding coordinator; a precocious girl seduces her teacher in order to blackmail him into funding her young stepmother's escape from their violent home; a wife turns to infidelity and drugs to distract her from chronic pain following an accident; a teenage boy attempts atonement in Amsterdam after having exploited his naive girlfriend at home; and a socialite must confront her dark past as her husband's deterioration from Huntington's Disease destroys both her bank account and social standing. Each insightfully drawn, deeply felt character moves delicately amid the despair and wreckage of ordinary life, but always towards hope. And Frangello's oddly uplifting voice acts as the unifying thread, drawing out a beauty and dimension which demands both our criticism and our empathy.

When video killed the radio star, Sharon Oreck was calling the shots. Video Slut takes an irreverent look behind the scenes of the music-video industry during its eighties heyday. Oreck, one of the top producers of all time, bluffed her way into the business with no experience whatsoever and went on to produce

Download Ebook I Am Not A Slut Wwwdas

more than six hundred video shoots with Madonna, Sting, Mick Jagger, Prince, and several members of the increasingly unstable Jackson family—not to mention a cadre of delinquent caterers, deranged interns, self-absorbed record executives, and malfeasant animal trainers. Oreck also shares the at turns hilarious, biting, and poignant story of her origins as a single teen mother, disowned by her middle-class parents, and of her journey from welfare to kung fu movie sets to film school. She approaches her own delinquency and that of the superstars she encountered with humor and candor. The result is an acerbic but sympathetic account of the outrageous effects of fame, power, and money on people in the entertainment business. No one is spared, especially herself.

****One of NPR's Best Books of 2017**** —Petersen's gloriously bumptious, brash ode to nonconforming women suits the needs of this dark moment. Her careful examination of how we eviscerate the women who confound or threaten is crucial reading if we are ever to be better. —Rebecca Traister, New York Times bestselling author of *All the Single Ladies* From celebrity gossip expert and BuzzFeed culture writer Anne Helen Petersen comes an accessible, analytical look at how female celebrities are pushing the boundaries of what it means to be an “acceptable” woman. You know the type: the woman who won't shut up, who's too brazen, too opinionated—too much. She's the unruly woman, and she embodies one of the most provocative and powerful forms of womanhood today. In *Too Fat, Too Slutty, Too Loud*, Anne Helen Petersen uses the lens of “unruliness” to explore the ascension of powerhouses like Serena Williams, Hillary Clinton, Nicki Minaj, and Kim Kardashian, exploring why the public loves to love (and hate) these controversial figures. With its brisk, incisive analysis, *Too Fat, Too Slutty, Too Loud* is a conversation-starting book on what makes and breaks celebrity today. —Must-read list. —Entertainment Weekly Named one of Cosmopolitan's —Books You Won't Be Able to Put Down
