Pimp: The Story of My Life by Iceberg Slim - Books on ...

The first chapter of iceberg slims book pimp (part 1 of chapter 1).

“[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I’ve ever heard in my life.” —Dave Chappelle, from his Netflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim’s autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago’s street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, “In this book, I will take you, the reader, with me into the secret inner world of the pimp.” An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler’s tale that never seems to go out of style.

The first and definitive biography of one of America's bestselling, notorious, and influential writers of the twentieth century: Iceberg Slim, né Robert Beck, author of the multimillion-copy memoir Pimp and such equally popular novels as Trick Baby and Mama Black Widow. From a career as a, yes, ruthless pimp in the '40s and '50s, Iceberg Slim refashioned himself as the

first and still the greatest of "street lit" masters, whose vivid books have made him an icon to such rappers as Ice-T, Jay-Z, and Snoop Dogg and a presiding spirit of "blaxploitation" culture. You can't understand contemporary black (and even American) culture without reckoning with Iceberg Slim and his many acolytes and imitators. Literature professor Justin Gifford has been researching the life and work of Robert Beck for a decade, culminating in *Street Poison*, a colorful and passionate biography of one of the most complicated figures in twentieth-century literature. Drawing on a wealth of archival material—including FBI files, prison records, and interviews with Beck, his wife, and his daughters—Gifford explores the sexual trauma and racial violence Beck endured that led to his reinvention as Iceberg Slim, one of America's most infamous pimps of the 1940s and '50s. From pimping to penning his profoundly influential confessional autobiography, *Pimp*, to his involvement in radical politics, Gifford's biography illuminates the life and works of one of American literature's most unique renegades.

The author that brought black literature to the streets is back. Weaving stories of deceit, sex, humor and race Iceberg Slim, best-selling author of *Pimp*, brings us the story of a hustler who doesn't just play the con game, he transforms it. This is the gritty truth, the life of a hustler in south side Chicago where the only characters are those who con and those who get conned. *Trick Baby* tells the story of "White Folks," a blue-eyed, light-haired, con-artist whose pale skin allows him to pass in the streets as a white man. Folks is tormented early in life, rejected by other children and branded a "Trick Baby," the child conceived between a hooker and her trick. Refusing to abandon his life in the ghetto and a chance at revenge, Folks is taken under the wing of an older mentor, Blue. What happens next is not to be believed. Only Slim could

bring us the story of a hustler, forced to learn the game and rise to the top. It's Slim's story and he tells it in the only way he knows how, in the language of the streets.

Tells the story of Otis Tilson, a transvestite living a life of pimping and tricking amid the violence and crime of the homosexual underground.

Straight from the source: Iceberg Slim gives unprecedented insight into his incredible life and mind in this second collection of rare, explicit, interviews. Iceberg Slim is infamous as a pimp. But he was many things: Victim of childhood abuse, racism and the Great Depression; drug addict; hustler; prison escapee; multi-million book selling author; one of the first rap record artists; orator; pre-eminent writer; father; husband; advocate of socially constructive life. The interviews (big topics from applying the game in square relationships, to the con game, sex, drugs, education, writing, racial issues, fatherhood, politics, crime and punishment) are complimented by: Camille Beck's tragic story, told by her sister Misty; FBI records, mug shots, historical records; the true story of Baby Bell and Sweet Jones; and the true story of Henry and Iceberg's mother. Revealing insights with those who knew Iceberg Slim are included: Mike Tyson; Camille and Misty Beck; Diane Beck; Betty Beck's story from the day she met Iceberg; Bentley Morriss (CEO, Holloway House Publishing). Plus Ice-T, Bishop Don Magic Juan and others provide relevant commentary on Iceberg's life, work and great legacy.

the petty triumphs in the world of the pimp.

“An insightful memoir that uncovers unique stories about matters of the heart.” —Essence The inspiring New York Times bestseller from Common—the Grammy Award, Academy Award, and Golden Globe–winning musician, actor, and activist—explores how love and mindfulness can build communities and allow you to take better control of your life through actions and words. Common believes that the phrase “let love have the last word” is not just a declaration; it is a statement of purpose, a daily promise. Love is the most powerful force on the planet, and ultimately the way you love determines who you are and how you experience life. Touching on God, self-love, partners, children, family, and community, Common explores the core tenets of love to help us understand what it means to receive and, most importantly, to give love. He moves from the personal—writing about his daughter, to whom he wants to be a better father—to the universal, where he observes that our society has become fractured under issues of race and politics. He knows there’s no quick remedy for all of the hurt in the world, but love—for yourself and for others—is where the healing begins. In his first public reveal, Common also shares a deeply personal experience of childhood molestation that he is now confronting...and forgiving. Courageous, insightful, brave, and characteristically authentic, Let Love Have the Last Word shares Common’s own unique and personal stories of the people and experiences that have led to a greater understanding of love and all it has to offer. It is a powerful call to action for a new generation of open hearts and minds, one that is sure to resonate for years to come.

Doom Fox is the final instalment in Iceberg Slim's searing sequence of highly-charged books that began with his critically acclaimed and multi-million selling autobiography, Pimp. Slim's powerful, raw prose and eye-opening reflections of black ghetto realities have helped to redefine modern American literature, offering the reader a glimpse into lifestyles and language never before seen in print. Doom Fox tells the tragic story of three generations of the Allen family in post-war L. A. Written with Slim's typically disturbing honesty and sharp humour, it paints their lives with compassion, telling their stories in their own words, in the language of the street. The result is another riveting and potent urban parable, a bitter commentary on a society that has as its core a legalized policy of discrimination.

In "The Naked Soul of Iceberg Slim," the fierce and lyrical icon for criminal reformation describes himself as "ill...from America's fake façade of justice and democracy." For Iceberg, the illness may have been a detriment, but for us, it's a gift. His tales serve as a chilling reminder that we are all still inmates of one prison or another, and the time to break free has arrived. Iceberg Slim took the public into the raw, unseen, predatory reality of America with "Pimp". This time around, he puts the emphasis on reality with his collection of personal essays. This is Iceberg, in California, broken down into a million pieces of anger, wisdom, but ready for a shift in his own consciousness. From the corrupt LAPD to a broken heart, Iceberg recounts woes that the average Joe can't even fathom. Iceberg Slim takes us for a ride; this time not only through the harrowing world of a pimp, but through his brain, his soul, and his psyche. The racist, gut-wrenching universe Iceberg Slim inhabits throughout this novel and his struggle to endure is one that will be appreciated by all. The story's arch of chaos to cleansing

## Download Ebook Iceberg Slim Pimp The Story Of My Life

is startlingly honest. After all, one can't help but root for the man who had the courage to rupture the bars of the cell society created for him and the man who gave a voice to those too afraid to speak. In "The Naked Soul of Iceberg Slim" his voice reigns loud and clear, and ready for vengeance.

In this newly discovered work by the late Iceberg Slim, the man who essentially birthed street lit, an LAPD vice detective intent on sweeping away street prostitution and police corruption finds himself up against Shetani (Swahili for Satan), a leading pimp who uses violence and heroin to control his prostitutes.
