The Secret Masters have denied all knowledge of the various conspiracy theories put forth in GURPS Illuminati. "To begin with, we don't even exist," said a spokesman. "The Illuminati are a myth." He went on to deny specifically that: Everything you read in the tabloids is true! Aliens regularly visit Earth, and are in contact with high government officials. The Men in Black are everywhere, and will snatch you from your home if you ask too many questions or just see something you shouldn't see. Orbital Mind Control satellites cruise the skies, influencing international politics and deciding the fates of billions. The Gnomes of Zurich control the world's monetary supply, and manipulate it to fit their own sinister plans. The world is such a complex web of secrets, mysteries and conspiracies that nobody really knows what is happening. But everyone in power lies . . . all the time. The only real way to protect yourself is to join the conspiracy. But even then, you'll never know who is pulling your strings. Everything you know is a lie. Everything you suspect is true. The world is a very strange place. Hail Eris! All Hail Discordia! The publishers of GURPS Illuminati, Steve Jackson Games, admitted that it was a work of fiction, but added, "It's all true anyway! Just look at the book. It's closer than you think."

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heroes, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.
