"Beyond the Box Score" provides a comprehensive, behind-the-scenes look at how the ever-growing professional sports industry really works.

Packed with expert advice and timely tips The fun and easy way to guide your American football team to glory in fantasy football Fantasy football can be an addictive hobby. But if you've never played American football before, how do you start? Have no fear! This friendly guide explains the game to you from start to finish -- from scouting and drafting your players to building your coaching skills to planning your strategy. And who knows, perhaps even to tasting victory in your league championship! Understand the basics of the game Pick the league right for you Assemble your dream team in the draft Develop your in-season management skills Know which quick fixes work and what common mistakes to avoid

New communication technologies are being introduced at an astonishing rate. Making sense of these technologies is increasingly difficult. Communication Technology Update is the single best source for the latest developments, trends, and issues in communication technology. Now in its 10th edition, Communication Technology Update has become an indispensable information resource for business, government, and academia. As always, every chapter has been completely rewritten to reflect the latest developments and market statistics, and now covers mobile computing, digital photography, personal computers, digital television, and electronic games, in addition to the two dozen technologies explored in the previous edition. The book's companion website (www.tfi.com/ctu) offers updated information submitted by chapter authors and offers links to other Internet resources. *Provides students and professionals with the latest information in all areas of communication technologies *The book's companion website offers updated information to this text, plus links to related industry resources *New and rewritten chapters covering Telephony (with full coverage of VoIP); Podcasting and Internet Video Distribution; WiFi, Broadband, and Mobile computing; and coverage of other emerging technologies, as well as fully updated statistics for all technologies

Your days of feeling enslaved, discouraged, and overwhelmed by your financial problems are over! From struggling financially all the way up to building a successful worldwide ministry and enjoying financial freedom, author Gary Keese shares his journey and his proven successful principles so you can control your finances. You will learn the spiritual laws of God's Kingdom and exactly how to apply each principle discussed. Also clearly and expertly explained is how to: Find lost money. Put a plan in place to be out of debt in less than 7 years (including your mortgage!). Save in every area of life. See that the financial laws of the Kingdom can intersect with the natural realm to bring you freedom from worry and fear. From pitfalls to avoid to proactive steps to take, the path to financial freedom is clearly illuminated. Fixing the Money Thing is not a book of boring numbers and budgets—it is an inspirational book that will change your life in many positive and lucrative ways.

Go behind the scenes with your insider's access to the high-pressure, high-stakes business of professional sport. In Beyond the Scoreboard, Rick Horrow, sport business analyst for Fox Sports, Bloomberg TV, Bloomberg Businessweek, and the BBC and host of PBS Nightly Business Report's "Beyond the Scoreboard," and Horrow Sports Ventures' vice president Karla Swatek take you to the boardrooms, negotiating tables, and executive suites of sport's most influential powerbrokers. Beyond the Scoreboard tackles sport's hot-button topics head on. You'll see • how sponsors measure return on investment with sport organizations; • how pro teams negotiate with governments to make a stadium deal; • the effect of the sport facility building boom on teams' bottom lines; • how sport agents try to maximize the value of their in-demand clients; and • the effect on teams and fans of revolutionary changes in modern ticket selling. Whether you are one of the millions of people who play fantasy sports or you just want to know more about how your favorite teams determine their strategies, you'll learn how the experts make deals happen. And with engaging sidebars and exclusive interviews from the most powerful figures in sport, including Roger Goodell, David Stern, Brian France, and Gary Bettman, you'll gain expert analysis from people who have played leadership roles in some of the most intense negotiations and lucrative business deals in sport history. There's nobody better equipped to explain what it takes to be a success in sport marketing, sponsorships, facility financing, or generating media coverage than Rick Horrow, the Sports Professor. In Beyond the Scoreboard, Horrow and Swatek provide you with an all-access pass to the multibillion-dollar world of professional sport.
