The classic Gothic suspense novel by Daphne du Maurier -- winner of the Anthony Award for Best Novel of the Century -- is now a Netflix film starring Lily James and Armie Hammer. Last night I dreamt I went to Manderley again . . . The novel begins in Monte Carlo, where our heroine is swept off her feet by the dashing widower Maxim de Winter and his sudden proposal of marriage. Orphaned and working as a lady's maid, she can barely believe her luck. It is only when they arrive at his massive country estate that she realizes how large a shadow his late wife will cast over their lives--presenting her with a lingering evil that threatens to destroy their marriage from beyond the grave. "Daphne du Maurier created a scale by which modern women can measure their feelings." --Stephen King

After honeymooning in Italy Max de Winter returns with his young bride to Manderley, the family estate in Cornwall. Yet the former mistress's presence lingers throughout the house. The shy heroine is torured by constant comparisons to the glittering socialite who was her predecessor and is heading for tragedy and despair when Rebecca herself appears...

At Any Cost unravels the twisted story of Rod Covlin, whose unrepentant greed drove him to an unspeakable act of murder and betrayal that rocked New York City. Wealthy, beautiful, and brilliant, Shele Danishefsky had fulfillment at her fingertips. Having conquered Wall Street, she was eager to build a family with her much younger husband, promising Ivy League graduate Rod Covlin. But when his hidden vices surfaced, marital harmony gave way to a merciless divorce. Rod had long depended on Shele's income to fund his tastes for high stakes backgammon and infidelity--and she finally vowed to sever him from her will. In late December 2009, Shele made an appointment with her lawyer to block him from her millions. She would never make it to that meeting. Two days later, on New Year's Eve, Shele was found dead in the bathtub of her Upper West Side apartment. Police ruled it an accident, and Shele's deeply Orthodox Jewish family quickly buried her without an autopsy on religious grounds. Rod had a clear path to his ex-wife's fortune, but suspicions about her death lingered. As the two families warred over custody of Shele's children--and their inheritance-- Rod concocted a series of increasingly demented schemes, even plotting to kill his own parents, to secure the treasure. And as investigators closed in, Rod committed a final, desperate act to frame his own daughter for her mother's death. Journalists Rebecca Rosenberg and Selim Algar reconstruct the ten years that passed between the day Shele was found dead and the day her killer faced justice in this riveting account of how one man's irrepressible greed devolved into obsession, manipulation, and murder.

Rebecca was Daphne du Maurier's most famous and best-loved novel. Countless readers wondered- what happened next? Out of fire-racked ruins of Manderley, would love and renewal rise phoenix-like from the ashes of the embittered past? Married to the sophisticated, worldly-wise Maxim, the second Mrs de Winter's life should be happy and fulfilled. But the vengeful ghost of Rebecca, Maxim's first wife, continues to cast its long shadow over them. Back in England after an absence of over ten years, it seems as if happiness will at last be theirs. But the de Winters still have to reckon with two hate-consuming figures they once knew - both of whom have very long memories...

Rebecca James unveils a chilling modern gothic novel of a family consumed by the shadows and secrets of its past in The Woman in the Mirror. For more than two centuries, Winterbourne Hall has stood atop a bluff overseeing the English countryside of Cornwall and the sea beyond. Enshrouded by fog and enveloped by howling winds, the imposing edifice casts a darkness over the town. In 1947, Londoner Alice Miller accepts a post as governess at Winterbourne, looking after twin children Constance and Edmund for their widower father, Captain Jonathan de Grey. Falling under the de Greys' spell, Alice believes the family will heal her own past sorrows. But then the twins' adoration becomes deceitful and taunting. Their father, ever distant, turns spiteful and cruel. The manor itself seems to lash out. Alice finds her surroundings subtly altered, her air slightly chilled. Something malicious resents her presence, something clouding her senses and threatening her very sanity. In present day New York, art gallery curator Rachel Wright has learned she is a descendant of the de Greys and heir to Winterbourne. Adopted as an infant, she never knew her birth parents or her lineage. At long last, Rachel will find answers to questions about her identity that have haunted her entire life. But what she finds in Cornwall is a devastating tragic legacy that has afflicted generations of de Greys. A legacy borne from greed and deceit, twisted by madness, and suffused with unrequited love and unequivocal rage. There is only one true mistress of Winterbourne. She will not tolerate any woman who dares to cross its threshold and call it home. Those who do will only find a reflection of their own wicked sins and an inherited vengeance.

Equal parts adventure and STEM, Rebecca E. F. Barone's Race to the Bottom of the Earth: Surviving Antarctica is a thrilling nonfiction book for young readers chronicling two treacherous, groundbreaking expeditions to the South Pole--and includes eye-catching photos of the Antarctic landscape. "Riveting! I raced to the end of this book!" --Alan Gratz, New York Times bestselling author of Refugee In 1910, Captain Robert Scott prepared his crew for a trip that no one had ever completed: a journey to the South Pole. He vowed to get there any way he could, even if it meant looking death in the eye. Then, not long before he set out, another intrepid explorer, Roald Amundsen, set his sights on the same goal. Suddenly two teams were vying to be the first to make history--that was to be an expedition had become a perilous race. In 2018, Captain Louis Rudd readied himself for a similarly grueling task: the first unaided, unsupported solo crossing of treacherous Antarctica. But little did he know that athlete Colin O'Brady was training for the same trek--and he was determined to beat Louis to the finish line. For fans of Michael Tougias' The Finest Hours, this gripping account of two history-making moments of exploration and competition is perfect for budding scientists, survivalists, and thrill seekers. "A nail-biting tale of adventure, tragedy, and superhuman determination--and also a luminous example of how our present lives are shaped by our immeasurably deep connection to our past." --Elizabeth Wein, #1 New York Times bestselling author of Code Name Verity "A huge treat for adventure story fans--not one, but two incredible races across the fearsome and fascinating Antarctic!" --Steve Sheinkin, New York Times bestselling author of Bomb and Undeatead

From a little-known chapter of Holocaust history, Rebecca Frankel's Into the Forest is one family's inspiring true story of love, escape, and survival. In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods--through brutal winters, typhus outbreaks, and merciless Nazi raids--until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story.
