This wonderful book is for anyone interested in making their life significantly better. It is a goldmine of insights and techniques from one of the greatest geniuses of personal change. As you use the techniques in this book, you will exponentially increase your ability to make dramatic life-enhancing differences. It is by far one of the most entertaining and professionally stimulating books I have read. It will change your life!"--Paul McKenna, Ph.D, author of I Can Make You Thin and host of The Learning Channel's I Can Make You More than thirty years ago, Richard Bandler set out to discover how some therapists managed to effect startling change with their clients, while others were arguing about theories as their face patients waited in vain for help. Now widely regarded as the world's greatest hypnotist, Richard Bandler observed and developed patterns which became the foundation of neuro-linguistic programming (NLP), arguably one of the most profoundly effective approaches for self-development and change. Since coauthoring the internationally influential books, The Structure of Magic Volume 1, and Patterns of the Hypnotic Techniques of Milton Erickson, M.D. Volume 1, Bandler has traveled the world, honing his skills and helping people solve problems and achieve goals when other "experts" have been unable to help. Richard Bandler's Guide to TRANCE-formation, he returns to his roots: hypnotic phenomena, trancework, and altered states to provide a highly compelling prescription for personal change. According to Bandler, "trance" is at the very foundation of human experience. People are not simply in or out of trance, but are moving from one trance to another. They have their work trances, their relationship trances, their driving trances, and their parenting

trances. Some of these states are useful and appropriate; others are not. With his signature wit and contrarian approach to therapy, Bandler shows how anyone can reset or reprogram problem behaviors to desired alternatives, with lasting and life-altering results. Peppered with case studies and more than thirty exercises, Richard Bandler's Guide to TRANCE-formation, is an intriguing, engaging, and often amusing, read for anyone, whether they are new to NLP, want to further their NLP training, or simply want to make a positive difference in their own lives.

From one of the greatest innovators in the field of personal growth comes bold new insights and hypnosis techniques to achieve lasting freedom from negative habits, thoughts, and beliefs.

A friendly and brief guide to the essentials of hypnosis. Popular author Bill O' Hanlon offers an inviting and reassuring guide to the essentials of hypnosis, alleviating the newcomer's anxieties about how to make the most of this clinical tool. This brief book illustrates the benefits of solution-oriented hypnosis, which draws on the work of the pioneering therapist Milton Erickson (with whom O' Hanlon studied) and emphasizes doing what is needed to get results—which, more often than not, means trusting that the client holds within him- or herself answers or knowledge that need only be tapped or released by the therapist. O' Hanlon covers the key aspects of hypnosis, including: using possibility words and phrases; using passive language; and inducing trance. O' Hanlon offers practical tips and friendly encouragement for the novice hypnotherapist—in his characteristic warm, reassuring, and humorous style.

This work covers Neuro Linguistic Programming (NLP), a model of human experience and communication. Using the principles of NLP, the book asserts that it is possible to describe any human activity in a detailed way that allows the reader to make many changes quickly and easily. It claims that using the techniques of NLP one can learn to: cure phobias and other unpleasant feeling responses; help children and adults with learning disabilities overcome these limitations; eliminate unwanted habits, eg. smoking, drinking, over-eating and insomnia; and make changes in the interactions of couples, families and organizations so that they function in ways that are more satisfying and productive.

Richard Bandler is known worldwide as the cofounder of neurolinguistic programming (NLP). Here, in what will be considered a classic, is Bandler at his best—the most accessible and engaging work yet, detailing his proven methods that have freed tens of thousands of people worldwide of their destructive habits, phobias, and fears. When conventional therapy and drugs fail, Richard Bandler delivers, often with miraculous results. Richard Bandler cocreated the field of NLP with John Grinder in the early 1970s. Since then, Bandler's work revolutionized the field of personal change; his models and methods have been widely

adopted and used successfully in colleges and universities, therapists' offices, professional sports teams, and businesses across the globe. While many people have written books on NLP, much of what has been written is based on Bandler's ideas. *Get The Life You Want* shares 'the how' from Bandler himself, with remarkable insights into some of his greatest and most advanced work to date, including compelling true examples from client sessions. With more than thirty exercises that promise rapid relief from any problem or habit, plus a glossary of terms and a detailed index, this is a culmination of a lifetime of work written in a simple, engaging style that both clinicians and laypeople will find effective. Richard Bandler's books have sold more than half a million copies worldwide. Tens of thousands of people, many of them therapists, have studied Bandler's blend of hypnosis, linguistics, and positive thinking at colleges and NLP training centers in the United States, Europe, and Australia. He is the author of *Using Your Brain—for a Change*, *Time for Change*, *Magic in Action*, and *The Structure of Magic*. He coauthored *Frogs into Princes*, *Persuasion Engineering*, *The Structure of Magic Volume II*, and *Patterns of the Hypnotic Techniques of Milton H. Erickson Volume I*.
