Teacher aid intended to be used with Rigby Literacy Level 6-8 readers.

The complete lower primary Guided Reading series for developing independent readers. Guided Reading Books are Reading Recovery levelled and cover a range of fiction and non-fiction titles from different genres. They are sequentially organised to build on high-frequency words, sight vocabulary and phonics introduced in previous levels.

Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of Guided Reading, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with Guided Reading, Second Edition, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation—from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Also check out our new on-demand mini-course: Introducing Texts Effectively in Guided Reading Lessons

Gives middle school teachers a range of tools to help monitor literacy behavior continuously as they teach, as well as conduct periodic assessments for accountability. Intended to guide teachers' ongoing observations of student's progress within a literature-based reading program.

The complete lower primary Guided Reading series for developing independent readers. Guided Reading Books are Reading Recovery levelled and cover a range of fiction and non-fiction titles from different genres. They are sequentially organised to build on high-frequency words, sight vocabulary and phonics introduced in previous levels.

This accessible, informative, and beautifully illustrated book celebrates the 100th anniversary of the NFL and is the perfect keepsake for football fans of all ages. The National Football League is the most popular sports league in the United States. Its championship game, the Super Bowl, is watched by millions of people every year. But it wasn't always like this. In the last one hundred years, football has changed from a poorly organized, often overlooked sport to America's favorite pastime. Here are the stories of that remarkable transformation. The stories of the greatest players, the most successful coaches, the most memorable games—and the amazing plays that made us gasp as we watched them in stadiums and on televisions all over America. Discover the league's scrappy beginnings in an automobile showroom, and early players like Red Grange, the Galloping Ghost. Relive the very first championship game, played indoors after a circus had visited, and famous games like the Ice Bowl. See the NFL at war, and meet some of the remarkable athletes who helped desegregate the league. Learn how the draft came into existence, and about the teams that strove for that almost impossible goal—a perfect season. Veteran sportswriter Fred Bowen brings his in-depth knowledge and lively prose to these fascinating stories, and award-winning artist James E. Ransome has created stunning full-page illustrations that bring the sport of football to life like never before.

When Harry and Chelsea go shopping, Harry has trouble opening the shop doors and Chelsea has to help. Illustrated by Claire Chrystall

"Rigby literacy focuses on teaching comprehension strategies, while reading a wide range of fiction and non fiction selections. It provides opportunities for small group instruction and addresses the needs of the below level reader through specifically designed materials that reinforce comprehension skills." (program book, p.24).
