National Audubon Society Field Guide to North American Mushrooms (National Audubon Society Field Guides) This guide was actually written by the brilliant mushroom hunter Gary Lincoff and the expertise shines through. It's well-organized and contains excellent photographs in color, unlike the black and white of most of the photos in Mushrooms Demystified. Gary Lincoff also wrote this book, which I own as well:

**The Best Mushroom Foraging Books | The Survival Gardener**

National Audubon Society Field Guide to North American Mushrooms by Gary A. Lincoff is a good book for those who prefer to identify mushrooms by comparing collected specimens to photographs first. Written primarily with the east coast of the United States in mind. Its greatest fault is a lack of keys.
